For fast, simple and
secure access to your
prescription benefits

Express Scripts® Pharmacy Benefit Services manages the pharmacy portion of your health plan coverage to help make medication safer and more affordable. Just like your health plan covers your doctor visit, your pharmacy benefits or prescription plan covers the medication your doctor prescribes. Through your pharmacy benefits, you have access to a network of covered pharmacies and medications.

Our pharmacy benefit capabilities

Save on medications

Check the price of a medication before and during a doctor's visit.

Find a pharmacy

Locate the most convenient network pharmacy for your needs.

Coverage review

Before a doctor prescribes a medication, check to see if it needs a coverage review.

Set reminders

Set reminders to take your medication and sign up for text alerts.
